

# Your WebPortal Journey

## 01 Design Form

Complete our simple design form, selecting your template of choice, upload your logo, and fill out your details.

## 02 Website Mockup

Our designer creates a mock-up to show you how your new website will look.

## 03 Under Construction

Once we know what design you want, we will begin the process of building your website.

## 04 First Draft

We will let you know when the website has been built so you can give it a look, upload additional content and make any adjustments required.

## 05 3... 2.. 1... GO!

Once you're happy, we will put your IRIS WebPortal site live online, ready to use.
